

# CASE STUDY

**INDUSTRY**  
- GAMING

**CONTRACTED SERVICES**  
- GIGABIT BUSINESS SYMMETRIC FIBRE

**Pragmatic Play** is a leading game developer providing player-favourites to the most successful global brands in the iGaming industry.

Powering up new possibilities of play through one single API, we offer a multi-product portfolio of award-winning slots, live casino, bingo, virtual sports, sports book and more, available in all major regulated markets, languages and currencies.

Driven by our persistence to craft immersive experiences and responsible thrills, our professional team consistently deliver best in class services to our partners worldwide with a dedication to creating games that players love time and time again.

“ As an industry leader, our success relies heavily on a fast and reliable internet connection, and **GIBFIBRE** has exceeded our expectations in every way.

The customer support from **GIBFIBRE** is exceptional. Their team is responsive, knowledgeable, and always ready to assist with any inquiries or technical issues. The seamless communication has provided us with peace of mind, knowing that we have a reliable partner supporting our connectivity needs.

Their exceptional service, coupled with their commitment to innovation, has made them the ideal internet provider for any gaming company. We wholeheartedly recommend **GIBFIBRE** to fellow gaming industry professionals looking for a reliable and high-performance internet solution. ”
